Outlook

Congratulations! You have earned your Associate of Science-Computer Science Transfer Pathway

From NHCC Records and Registration <noreply@nhcc.edu>
Date Sat 1/4/2025 7:00 AM
To Li, Feifei <feifei.li@my.nhcc.edu>

Feifei,

Your NHCC transcript now reflects the award(s) you earned in Associate of Science-Computer Science Transfer Pathway

Students awarded will have their diploma available for pickup in the Records and Registration Office after final grades and graduation requirements have been verified.

Please review your address in eServices to ensure your receipt of the mailed diploma.

Diplomas will be available for pickup on the following schedule:
• If you graduate in Spring, your diploma will be available after July 1st
• If you graduate in Summer, your diploma will be available after October 1st
• If you graduate in Fall, your diploma will be available after February 1st

In approximately six months, you may receive a follow-up survey from the Research Department at NHCC. This short questionnaire is required of all Minnesota state colleges and universities and will help to evaluate the job market, review occupational programs, and provide prospective students with information regarding what can be expected when they graduate. Please note that this survey will not disclose anything about you as an individual, as only aggregate data is recorded. Because this information is so important to us, we ask that you keep your address current with us for at least the next six months. Please use our website to submit any changes:

https://www.nhcc.edu/registration/records-registration/update-student-information

Best wishes in your future endeavors!
Meghan Rucinski
Registrar
North Hennepin Community College
